

## Doubles Connect Four Game Instructions

Players: Two

Materials:

- One game board (see page 2)
- One six sided dice
- Each player will need something to color with (each player needs a different color.)

How to play:

1. Player 1 will roll a dice and look at the number they rolled.
2. Player 1 doubles the number they rolled (example: roll 2 and double it to 4) then color in one box that matches their new number.
3. Player 2 will repeat steps 1 and 2.
4. Similar to the popular game of Connect 4, the object of the game is to get four numbers colored in a row. This can be horizontally, vertically, or diagonal.
5. Continue playing the game until all numbers on the game board are colored in.

How to win:

- Count the groups of four and whoever has the most, wins!
